COMPANY OVERVIEW

Guldstreet Shipping is a New York-based boutique global shipping company. We move vehicles, heavy equipment, containers and commodities between North America, China and West Africa, with a documentation-first process that checks every shipment against destination requirements before it is booked.

CORE COMPETENCIES

- Full container (FCL) and shared container (LCL) ocean freight to Ghana, Togo and Cote d'Ivoire
- Vehicle and fleet shipments by RoRo or container, including auction purchases
- Heavy equipment and project cargo: RoRo, flat rack, open top and breakbulk
- Vehicle shipments from China to West Africa
- Commodity exports from West Africa to the United States
- Consolidation, groupage and de-groupage
- Last-mile delivery in Ghana and the New York, New Jersey and Philadelphia area
- Import compliance and trade advisory through the Shipper's Advocate (The Five Gates method)

DIFFERENTIATORS

- Documentation first: Ghana requirements (GS 4510, Shippers' Authority registration, ICUMS) are checked before booking, not at the port
- Written quotes that state what is included and what is not
- Every bill verified before the client pays it, with a dated escalation plan when cargo stalls at Tema
- A trusted clearing partner at Tema and a single point of contact from pickup to delivery
- Founder-led, responsive team reachable by phone, email and WhatsApp
